EnSo

About EnSo

At the heart of our brand is the belief that true value lies in what is genuine, essential, and deeply felt.

We bring authentic Japanese products to Europe. Working directly with trusted Japanese producers, we deliver premium quality products to cafés, retailers, and food professionals across the EU.

What Is Natto?

Natto is one of Japan's most nutritious foods but its sticky texture and strong flavor aren't for everyone.

Our powder solves that.

Made from traditionally fermented soybeans, gently dried and milled, it delivers all the nutritional benefits in a neutral, easy-to-use form that blends into any recipe.

For Business

Perfect for:
Cafés • Restaurants • Retail

Formats available

Powder (for direct consumption & culinary use)
